

## ***NY Connects Benefits Tonawanda Seniors***

Residents in the City of Tonawanda who would like to be part of Twin Cities Meals on Wheels but find cost to be one of the obstacles, will be pleased with a program called NY Connects.

Coordinated by the Erie County Department of Senior Services, the program has been set up to help seniors in Erie County who have trouble accessing food.

The requirements include not having money to purchase food, or unable to prepare food or perhaps a restricted diet or special dietary needs. Once the county is aware of the problem, an assessment is done in person.

Twin Cities Meals on Wheels will then be contacted as a provider of healthy hot and cold meals delivered to the client's door.

TCMOW is paid by the county with a suggested minimum donation of \$2 from the client.

“This is a good use of taxpayers' money,” TCMOW coordinator, said. “It helps seniors live a better life and eat healthy.”
