

Things Are Changing at TCMOW

Twin Cities Meals on Wheels has been delivering nutritious meals to the citizens of Tonawanda and North Tonawanda for over 50 years.

However, due to the declining enrollment and the high cost of service it is necessary to find a new way to fulfill the needs of our clients.

This has been a passion for our Volunteers and Board of Directors; however, we find it necessary to close our doors.

The Twin Cities Meals on Wheels Board of Di-

rectors has analyzed all the aspects of running this organization and has decided to transition to FeedMore meal program so that we can continue to service the clients in this area.

This was not an easy decision, but it is in the best interest of our clients.

In closing, I would like to express our gratitude to the volunteers and the local organizations who have supported us in providing this service.
